THIS MONTH'S CONVERSATION

Traditions, reimagined: keeping what matters about the holidays when caregiving has changed what's possible.

November 4th 2026

EVERY SESSION INCLUDES

Featured Topic • *Practical Strategies* • *Community Connection* • *Resource Sharing*

Family Connections is a facilitated peer support and educational community. While participants often find encouragement through shared experiences, this program is not a therapy, counseling, or crisis intervention group.

WHO SHOULD ATTEND?

Parents, siblings, grandparents, aunts, uncles, godparents, foster parents, guardians, and any family member or caregiver who loves and supports a child or young adult with disabilities, complex communication needs, autism, developmental disabilities, or other significant support needs.
